

Wonderland Announces Cinemusica

On October 15, Wonderland is hosting Cinemusica, at the Arena Grand Movie Theater.

Doors open at 7pm and the show begins at 7:30pm.

Cinemusica is a showcase featuring the collaborative works of filmmakers, musicians, and performing artists. Borrowing and resurrecting a concept created by former local film house manager Kevin Ward, Cinemusica will allow these creative individuals the opportunity to team up on multi-format pieces.

The idea is relatively simple. In some cases, we have provided musicians with silent films from local filmmakers and given them the task to write the score. In other cases we have provided local filmmakers with music to create a film from. At the event, the films will be shown on screen and the musicians will perform live. The result is a one-time, live collaboration in front of an audience. In addition to these performances, there will ads from local companies, word scrambles and fake movie trailers by local comedians, and a live DJ set.

Films for this Cinemusica are Andrew Ina, Dan Gerdeman, Corey Aumiller, Tony Belleau, Alex Trimpe, and Matt Meindal teaming up with musicians Aaron Quinn, the Selenite Orchestra, and Tigers in the Mirror. The DJ set will be provided by DJ Walker Crane and comedic components provided by the Asbestos Crew for an incredible collaborative event.

Cinemusica doors open at 7:00pm and performances begin at 7:30pm on Saturday, October 15 at the Arena Grand Movie Theatre, 175 West Nationwide Boulevard, Columbus, 43215.
